1st grade- 2023-2024

- ▶ 83 students
- ▶ 3 classes
- ▶ 6 form teachers
- ▶ 1 special needs teacher
- ▶ 5 school assistants

Group combination

- ▶ The process starts in January.
- ▶ Exchange of information with kindergardens .
- ▶ A complex process that takes time.
- ▶ We thrive to meet all needs.
- ▶ Class memberships will be published the first week of August.

Criteria in numerical orders:

1. Children with special needs.
2. The kindergardens evaluations, exchanged information(ex. vulnerable children, attended behaviour and language skills.)
3. Exchange of information from the kindergarden.
4. Observations from the pre-school day and the first days in the after school programme "skoleklar."
5. Multilingual students
6. Equal numbers of boys and girls.
7. The students address.(for safe walking to school.)
8. Kindergarden(to feel safety with children they know from before.)

How and what should your child learn?

In the Early years of school our main focus is to teach your child:

- Read, write and basic maths. Practical skills like drawing and swimming.
- Cooperation and listening to others, and express their own thoughts and opinions.
- What is significant in a good friendship.
- The school take in to consideration and builds on the knowledge the child have when they start school.

Oslo

Subjects in 1st and 2nd grade

- Norwegian
- Mathematics
- Science
- English
- Social science
- Arts- and craft
- Music
- Gymnastics
- Religious and Ethical education(REE)

Children learn in their own pace.

- There are multiple ways to learn:
- Together in a whole group.
- In smaller groups
- One to one with a teacher
- Field work
- Through play

Oslo

Preparation to become a pupil:

- ▶ Take the time and read a book with your child.
- ▶ Talk about the meaning of words and sentences.
- ▶ Taking turns in board games, count and wait until its your turn.
- ▶ Teach your child to be an independent dresser.
- ▶ Independent bathroom skills.
- ▶ Become familiar with the way to and from school.
- ▶ Become familiar with the school yard and local area.

Oslo

All students must feel safe and secure.

- ▶ All children should have a sense of belonging and to feel that they take part in a community.
- ▶ All adults have a legal commitment to make sure that all children are taken care of at all times.
- ▶ If your child does not feel safe or express that he-she do not thrive, please notify the school.

A safe school environment- a legal commitment to act.

- ▶ **A legal commitment to act:** All school employees is obligated to pay attention to childrens well being in school. The school has a legal responsibility to provide a safe environment for students well being. The school is committed to make an effort to prevent bullying and investigate all suspicion or knowledge of a child who does not feel safe or thrive in school.
- ▶ **An action plan:** the school has a legal commitment to provide a plan that describes how they intend to work to prevent, discover and handle bullying and other violations.

Student development

- ▶ The school provides feedback on social and cognitive development.
- ▶ There are two student- parent- teacher conversations within a school year.
- ▶ There are two parenting meetings per school year.
- ▶ 1st graders have their parenting meeting shortly after the school starts.

Oslo

Communication

- ▶ Download the app “Skolemelding” on your cell phone.
- ▶ “Skoleplattform Oslo” on- line.
- ▶ The schools web- page provides you with news and important information.
- ▶ www.ellingsrudasenskole.no

You play an important part in your child's education.

- ▶ Cooperation and good communication between the home and the school is the key to succeed educationally and to thrive in a learning environment.
- ▶ You are being invited to contribute to this, in school and in the after school programme.
- ▶ You can make a difference!
- ▶ Please be in touch!

The different parenting boards:

- ▶ Parent contact in each class.
- ▶ FAU (The school's parent forum)
- ▶ The Operating board (parent representatives)
- ▶ SMU (Skolemiljøutvalg) its main mission is to contribute that the school, its students and parents are actively participating in creating a safe school environment.

If your child has special needs.

❖ Special needs education

- We can provide special needs education, that is in addition to the ordinary curriculum.
- The student get a personafied curriculum that is designed to meet their needs.
- This education is provided by a special needs tutor in a small group and sometimes in a different school, depending on the needs.

❖ "Særskilt språkopplæring- SNO"

- For multilingual children who needs to expand their Norwegian language skills.

Sami education

- ▶ Children with Sami background can get education in the written or oral Sami language.
- ▶ Children who has a Sami background can get education in Sami in Nedre Bekkelaget skole or on-line tutoring.
- ▶ If ten students or more want a Sami education, they have a legal right to be provided with a full time educational offer in Sami.

Oslo

Absence and permission to leave

Invalid absence: Example: When the school has not been notified that you are going on holiday without a permission to leave during days of school.

- ▶ The school should be informed immediately.
- ▶ **Valid absence:** example: Sick leave that has been reported to school.
- ▶ After 5 days of sickness: Your form teacher will notify you about how many days your child has been away from school.
- ▶ After 10 days: Our welfare counsellor will arrange a meeting to discuss how the school can help.
- ▶ **Permission to leave:**
- ▶ Your form teacher can grant one day per semester. All other leave permissions is to be applied for to the principal. You can find the application form on our schools web site.
